SENIOR CLASS HISTORY

Let us look back through the past at our high school days and renew some of the many good times we have had together.

In our freshman year things were off to a wonderful start with fifty-seven students in our class and Miss Delores Williams and Mr. John Massaro as our sponsors. The class officers were: President, Robert Amodio; Vice President, Marcia Fisher; Secretary, Patricia Kepner; Treasurer, Richard Doyle, and Student Council Representative, Thelma Fenton.

As sophomores we had as our class sponsors Mr. E. P. Van Auken and Mr. Charles Fedyna. Our class officers were: President, Richard Doyle; Vice President, Marcia Fisher; Secretary, Linda Colligan; Treasurer, Dale McDougal; and Student Council Representative, Patricia Kepner.

Our junior year was a thrilling one. The class danced with joy in December 1954, when we received our class rings. We had a magazine drive which was quite successful and it helped pay for our Junior-Senior Prom which was held in May. Our class sponsors were Mrs. Florence Gordan and Mr. El Long. The class officers were: President, Richard Doyle; Vice President, Dale McDougal; Secretary, Barbara Summerville Tohm; Treasurer, Mary Katherine Young; and Student Council Representative, Roselyn Gura.

Our senior year was the best of all. We had as our sponsors Mrs. Florence Gordan, Mrs. Mary Lucy Lauban, and Mr. El Long. Our class officers were: President, Richard Doyle; Vice President, Dale McDougal; Secretary, Della Ludington; Treasurer, Mary Katherine Young, and Student Council Representative, Richard Van Dette.

Our class has been quite active throughout its high school year. Participating in various sports we had: Dale McDougal, Bob Gusbeth, Gary Erhart, Richard Van Dette, Wayne McDougal, Bob Amodio, Bill Oblinger, Harold Schisler, and Charles Shoff. The class felt quite honored in their senior year when Dale McDougal and Richard Van Dette received all-county football awards. To cheer all these boys on, our class furnished as cheerleaders: Marcia Fisher, Patricia Kepner, Mary Katherine Young, and Nancy Sexton. We were happy to have Donna Anderson as our Homcoming Queen and Della Ludington for May Queen.

Several in our class belong to National Honor Society. They include: Marcia Fisher, Thelma Fenton, Roselyn Gura, Patricia Kepner, Della Ludington, Eileen Suetta, Louise Wilson, Richard Doyle, John Grove, Linda Colligan and Ardith Mudge. We were also fortunate to have numerous students in band, chorus, library work, rifle club, and debate forums.

Our class may forget the many good times that we have had together at Halloween, Christmas, Valentine's Day and swimming parties held during our high school years, but we, the class of 1956, will never forget the many good times we had together on our senior trip in Washington, D.C.

SENIOR CLASS PROPHECY

I am an electronic brain inside a flying saucer. My mission is to pick up the 1956 graduates of JACKSON-MILTON HIGH SCHOOL. I was chosen for this mission because these same seniors ten years ago once laughed at the idea of flying saucers. I am now going to pick them up for their class reunion and to prove that "He who laughs last laughs best."

My first spin will be over New York City, where we will land on top of the New York Times Building. Inside, I find Wayne McDougal, Star Reporter, interviewing that guest singer, Bob Amodio, now known as the Rosemont Warbler.

Our next stop will be in Boston, where we find Elsa Lovas in her fabulous fashion salon. As the gaiety of being together begins, we skip over to Wisconsin. The first stop will be on the mammoth dairy farm of John Grove. All we have now is a skip and a jump to pick up Richard Doyle, owner of Blatz, the Company that made Milwaukee famous.

Up in the air again, we whirl to Chicago. We find the exquisite fashion designer, Pat Kepner, visiting Roselyn Gura in her mansion at Highland Park. Roselyn made her fortunes as an osteopath. There is a thrill of excitement among the passengers as we drop down to their home state of Ohio. Here we will pick up many of our passengers. As we land on the lawn of Stambaugh Auditorium we hear Mildred Harger singing with the Metropolitan Opera Co. Also in Youngstown we find one of the most prominent women in the Red Cross, Gail Nemeth. A sudden silence comes over the crowd and on each face there is a far away look as we stop at their Alma Mater. To see who is in the principal's office surprised them very much. Imagine Charles Shoff, who was once a Janitor, has worked himself up to this position. Another surprise is to see Barbara Tohm teacher of Home Economics, and Treva Siegel, elementary teacher, walking down the hall.

The town of North Jackson was considered very small until the General Motors plant came in ten years ago. At this plant we find Richard VanDette, the president, with his two efficient secretaries, Eileen Suetta and Ruth McKee. Richard has just called his electrical engineer, Bob Galayde, up to the office. Now we can continue our trip to the beautiful summer resort, Lake Milton. At last we see a dream come true! The proprietors of Milton Garden Skating Rink are now Linda Colligan and Charlotte Walter. The old skating rink has been replaced by a beautiful crystal ball arena that has been built in the middle of the lake. This dream has been achieved by paying fifty cents a week for ten years. (They still have twenty years to pay.)

We are now arriving at Newton Falls, where we find a famous dancer, Katie Young, practicing in her husband's night club. Her instructor is the well-known Nancy Sexton. Nancy has made many unknown dancers famous.

Is anyone hungry? Let's stop at Gloria Schisler's Mural Room. Now that Gloria is with us, we will head for Columbus, and visit the University there. The honorable Governor, Dale McDougal, was chosen to throw the first football as coach Bob Gusbeth's all American Team takes the field. Sitting along the side lines is Effie Martin, now the wife of the famous coach. Also watching the game is the chemistry professor, Marcia Fisher. Beyond the stadium is the beautiful Medical Center where we see two of their Florence Nightingales, Donna Anderson and Ardith Mudge.

Going west to Kansas City we see Alberta Dettmer's long, low ranch-house. Alberta is now happily married. Whirling westward to Texas, we find that Mary Jane Baker has become Oil Queen. Mary Jane's secretary is Rosemary Hendershot. Below her mansion is a modernistic gasoline station owned by Gerald Gibbs and Gary Sickle. Their two mechanics are Bob Davis and Paul Marshall.

Now to Reno! Harold's Place is the most famous casino in Reno. The proprietor is none other than Harold Schisler. One of the famous celebrities in Harold's Place is Tom Crum the middle-weight Champion prize fighter of the world. The gaiety and laughter has become louder and brighter as we go along.

California—here we come! The first person we recognize here is Margie Conklin at the Delmar Race Track, where she is entering her Kentucky Derby winner. Pulling up to the Race track in a Cadillac convertible are two very distinguished looking gentlemen. Who can they be? It's John Simmons and Gary Erhart. They tell us that their pin setting days are over, for they now own the bowling alley. Warren Rose is employed as the manager of their alley. We will now visit the M.G.M. movie set. As we stroll in, we see the Great Lover of the Motion Picture Industry, Bill Oblinger. Bill's leading lady is Della Ludington. Della is having her hair done at Thelma Fenton's Beauty Salon. Her well-trained staff consists of Maxine Kuhns as dietician and Darla Ford is her cosmetologist.

Shall we travel further down the road and look in on David Maguire? David is now a famed artist and his model is Louise Wilson.

Away we go for the reunion to the night spot of all celebrities, the private G. N. Club! As I take each one home they now realize that I, the electronic brain and the flying saucer are realities. They now begin to question—. What lies ahead in the future???
